

## FUTURE FOR NHS SOUTHWARK CLINICAL COMMISSIONING GROUP

NHS Southwark Clinical Commissioning Group, the organisation that plans and monitors local health services including GP contracts wrote to patients previously to advise that the two GP contracts ran by Concordia Health Limited at the Melbourne Grove Practice and AT Medics at The Hambleden Practice were due to end on 31<sup>st</sup> March 2019. They advised that going forward a new single contract would be put in place for both of these practices and that the CCG would choose the provider by running a formal selection process.

We are pleased to inform you that from 1 April 2019, Concordia Health Limited will be responsible for the provision of services to patients at both practices. From the 1<sup>st</sup> April the practices will be known as The Melbourne Grove and Hambleden Practice.

On Tuesday 5<sup>th</sup> March at 6pm we will be holding a meeting for patients to meet some of the new team. You will also be able to ask questions and learn more about the services that will be offered and how you can become involved in service design going forward and join the new combined Melbourne Grove and Hambleden practice PPG.

Posters about this event will also be displayed within the practices. Please contact your surgery if you have any questions about the upcoming meeting.

**Date – Tuesday 5<sup>th</sup> March 2019 @6pm**  
**Venue- Dulwich Grove United Reformed Church. East Dulwich Grove, East Dulwich, London SE22 8RH**

What does this mean for you as a patient?

If you are happy with these arrangements, you do not need to do anything. There will be no changes to your registration. Your medical records will remain at the practice and you will be able to receive services as usual from the surgery. If at any time you wish to change your GP practice, you can find information about other local practices on the NHS website.

If you require further information regarding other services available in your local area, please contact Healthwatch Southwark at <http://healthwatchsouthwark.co.uk/> or call the team on 020 7358 7005.

Further information can also be obtained from the Practice Business Manager –
